“ Tita Ann was the most special soul. I feel so blessed to have known and loved her. Her smile and her joy were contagious. She was always genuinely happy to see you, and you could feel the love in the room when she was around. I will miss her always, but am glad she is reunited in heaven with her parents and siblings. I hope my dad was there to greet her, and I can't wait to hug them both again.

“ Never would I imagine that it would be this hard to say "see you later". I miss you so very much. Our house is not the same without you. You are the strongest woman I have ever met. The battles you endured just to breathe everyday. You taught us so many things but the one thing that stands out the most is your UNCONDITIONAL LOVE you have for your family. Even when it's hard to love us, your love never failed.

I hope I can be half the mother and woman you are. I love you so much. FLY WITH THE ANGELS GRAM I MISS YOU ALWAYS
