“ Chuck/ Buck I met you when I was just 18 you took me in under your wing and welcomed me into your family. You've seen me at my lowest and never judged me. You were the best man in my wedding. I hate that we lost contact for so long but am thankful we got back in touch. I can't believe I've known you for 30 years and now your gone. I am truly heartbroken but I know your at peace with the love of your life. Until we meet again Rest In Peace

“ Chuck I'm so heart broken that you have left us, you will always be my brother-in-law, you and Kathy were there for me when Bob passed and when Kathy passed we had each other to lean on because we understood how we both felt losing our life partners. I know you were so heart broken when Kathy passed she was the world to you and you were the world to her. The only comfort I have is that you two are together again but, you both left such a big hole in my heart. I will miss your PM's in the morning and you always butt dialing me. I know life had been rough for you since Kathy's passing and now you are in her arms. You will always be in my heart, Rest in peace my dear brother-in-law I love you

“ I'm glad I met you uncle Chuck. I'm glad me and the boys got to spend that time with you. I'm glad I was that angel to help you through the tough time. Even when my spaghetti didn't come out right you still ate it and said it was good. Your angel niece will miss the morning text messages that we did every morning to let me know your ok. You are where you wanted to be. You will be missed dearly.

“ You’ve been there for me for almost half my life. You came into mine and my moms life and were there for us. I’m so very grateful that you were here and that we had the chance to be in yours. When I spoke to you on father’s day I never knew that would be one of our last but I’m so very grateful that we had the conversation we did. Remember when we used to make fun of that step dad song and how you would tease me because u were the “step dad”.
Love you chuck
Take care of mom and Michael
Until we meet again
Love always
Martie
